

WELCOME TO GRADE 11

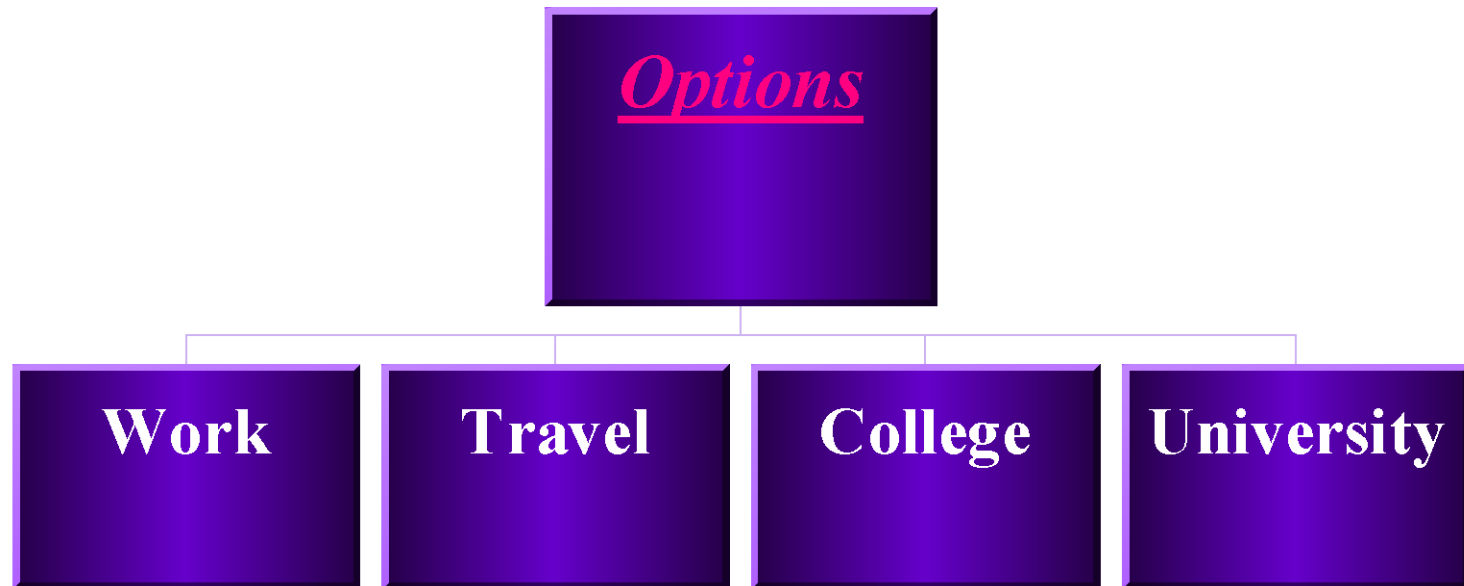

OUTLINE OF PRESENTATION

- Difference between College and University
- Articulation agreements
- Requirements for both College and University
- Most common University degree choices
- Importance of grade 11 marks
- Career Cruising

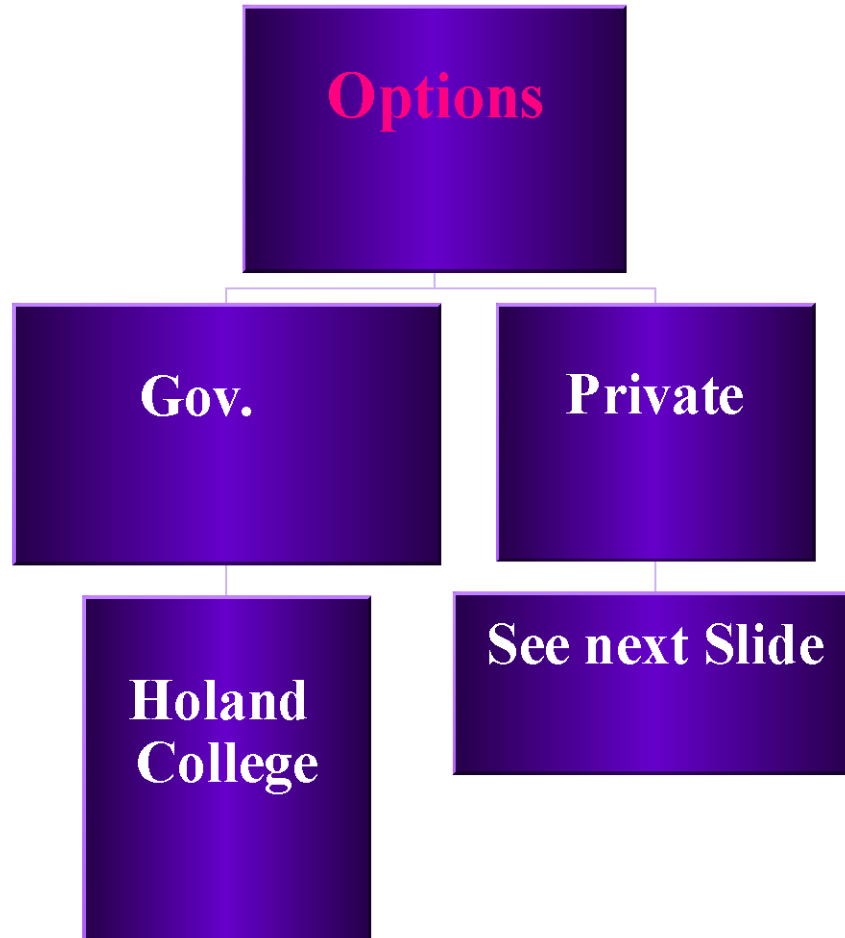

WHAT ARE SOME OF YOUR OPTIONS?

COLLEGE

PRIVATE COLLEGES ON PEI

- Academy of Learning
- Applied Business College
- College Acadie
- Eastern College
- Maritime Christian College
- Institute of Advanced Learning
- Hair Concepts Training Center (Miscouche)
- Harmony Training Centre (Souris)

PRIVATE COLLEGES ON PEI

- Island Health Training Centre
- JVI Provincial Transportation and Safety Academy (S'side)
- Marguerite Connolly Training & Consulting (RCW)
- National HomeED
- Private Institute of Hair Design and Aesthetics
- Makenzie College

HOLLAND COLLEGE SAMPLE PROGRAMS

- Business Administration / Information Technology
- Tourism and Hospitality / Hotel and Restaurant Management / Culinary Institute
- Carpentry / Electrical Technology / Plumbing / Welding

HOLLAND COLLEGE SAMPLE PROGRAMS

- Correctional Officer / Police Science Academy
- Dental Assisting / Practical Nursing / Paramedic
- Golf Club/Course Management / Sports and Leisure Management
- Child and Youth Care Worker / Early Childhood / Resident Care Worker / Human Services

UNIVERSITY

Degrees

**Bachelor Degree
(undergraduate degree)**

**Masters Degree
(graduate degree)**

**Doctorate Degree
(PHD)**

Post Doctorate

ATLANTIC CANADIAN UNIVERSITIES

- Acadia University
- Bishop's University
- Cape Breton University
- College Acadie
- Crandell University
- Dalhousie University
- Memorial University

ATLANTIC CANADIAN UNIVERSITIES

- Mount Allison University
- Mount St. Vincent University
- Saint Mary's University
- St. Francis Xavier University
- St. Stephen University

ATLANTIC CANADIAN UNIVERSITIES

- St. Thomas University
- UNB
- Université de Moncton
- Université de Sainte Anne
- University of Kings College
- UPEI

DIFFERENCE BETWEEN UNIVERSITY AND COLLEGE

College

- In class time typically Monday to Friday all day
- 1 – 2 years of courses
- Students mostly reside off & on campus

University

- In class time varies from day to day
- 4 plus years of courses
- Students reside off & on campus

DIFFERENCE BETWEEN UNIVERSITY AND COLLEGE

College

- Typically small classes
- Hands on learning with theory as required
- Graduate with diploma or certificate

University

- Typically large classes
- Mostly theory based learning
- Graduate with degree

DIFFERENCE BETWEEN UNIVERSITY AND COLLEGE

College

- Tend to be more directly career-oriented.
- Program length varies
 - *certificate program*
(1 year or less)
 - *diploma program*
(2 or 3 years)

University

- A degree-granting educational institution.
- All offer *undergraduate programs* (Bachelor's Degree)
- Some offer *graduate programs* (Master's or Doctoral)

DIFFERENCE BETWEEN UNIVERSITY AND COLLEGE

College

- Offer pre-trades & apprenticeship training, language training and skills upgrading

University

- Offer professional programs such as Medicine, Dentistry, Pharmacy and Law
- If accepted, students can sometimes begin these after 2 or 3 years of undergraduate study

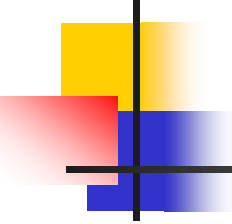

ARTICULATION AGREEMENTS

- Once students finish a diploma program at college, they are able to apply to a university and continue their education to attain a degree
- Holland College now holds a variety of articulation agreements with a variety of other institutions. For more information see:
- <http://www.hollandcollege.com/pathways/>

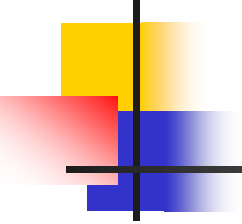

ARTICULATION AGREEMENTS

- The students must still meet the pre-requisite requirements from the university.
- Finishing the diploma program at college does not guarantee acceptance to the university program.

GENERAL REQUIREMENTS FOR COLLEGE

- Grade 12 diploma with credits at or above the general level (801 or 631 courses) with preference given in most programs to English 621.
- Resumé is usually required for most applications
- Experience in your field of study is beneficial.

GENERAL REQUIREMENTS FOR COLLEGE

- **Trades (Pipefitting, Carpentry, Electrical Technology):** Preference is given to those who have academic ENG, MAT, PHY
- **Health & Community Studies (Human Services, Practical Nursing):** Applicants generally need to complete volunteer or paid work hours (40-50) in the program of their choice in order to be accepted

GENERAL REQUIREMENTS FOR UNIVERSITY

- A minimum overall average of 70%.
 - Meeting the minimum average requirement does not guarantee acceptance to competitive programs like Nursing, Health Sciences or Engineering.
- A minimum of five 621 courses (one of which must be English 621)

MOST COMMON UNIVERSITY DEGREE CHOICES

- Bachelor of Business Administration (BBA)
- Bachelor of Science (B Sc)
- Bachelor of Arts (BA)
- Bachelor of Engineering (B Eng)
- Bachelor of Health Sciences (B H Sc)
- Bachelor of Nursing (B Nursing)
- Bachelor of Fine Arts (B FA)
- Other degrees (Kinesiology, Physical Education, Hospitality, etc.)

BACHELOR OF BUSINESS ADMINISTRATION (BBA)

- Accounting, Marketing, Commerce, Management
- Employment opportunities in health care, arts, government, international commerce, and non-profit organizations.

- **College Requirements:** Different depending on which college you apply to. 801 & 631 are normally acceptable credits.
- All applications to fine arts (University or College) require a ***PORTFOLIO***
- Any students who are interested in a Fine Arts program should see the Art Department here at the school as soon as possible for help with portfolio.

IMPORTANCE OF GRADE 11 MARKS

- Grade 11 is fast becoming the **MOST** important of your high school years
- **Regular admission:** at times use grade 11 marks to determine entrance into programs as well as scholarship offers

CAREER CRUISING

- A tool for career exploration
- Provides interest inventories, information on different careers, universities, colleges, etc.
- The program that replaced “Choices”

CAREER CRUISING

- www.careercruising.com

Username: westisle

Password: rosebank

- Much better to create a portfolio so you can save all the work you do.
- **PORTFOLIO LOGIN:** Use same username and password as when you log on to the school computers

IMPORTANT WEBSITES

www.schoolfinder.com – information on Canadian colleges and universities

www.career-college.com – information on Canadian career colleges

www.studyincanada.com – information on Canadian schools for International students

www.languageschoolfinder.com – information on language schools

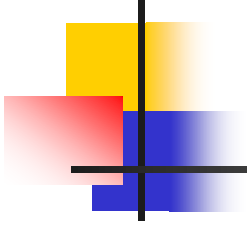

RECIPE FOR SUCCESS

- Stay on top of things as much as you can
- Discuss how you are feeling with others (family, friends, teachers, counselors, etc.)

**SHOOT FOR THE MOON. EVEN
IF YOU MISS, YOU'LL LAND
AMONG THE STARS!**
